Part 12: Details About Environmental Information

For the purpose of Part 12, the followig definitions apply:

- Environmental law means any statute or governmental regulation that concerns pollution, contamination, or hazardous material, regardless of the medium affected (air, land, water, or any other medium).
- Site means any location, facility, or property, including disposal sites, that the debtor now owns, operates, or utilizes or that the debtor formerly owned, operated, or utilized.
- Hazardous material means anything than an environmental law defines as hazardous or toxic, or describes as a pollutant, contaminant, or a similiary harmful substance.

Report all notices, releases, and proceedings known, regardless of when they occurred.

24. Has the debtor notified any governmental unit of any release of hazardous material?

☐ No

☒ Yes. Provide details below.

Part 12: Details About Environmental Information

For the purpose of Part 12, the following definitions apply:

- Environmental law means any statute or governmental regulation that concerns pollution, contamination, or hazardous material, regardless of the medium affected (air, land, water, or any other medium).
- Site means any location, facility, or property, including disposal sites, that the debtor now owns, operates, or utilizes or that the debtor formerly owned, operated, or utilized.
- Hazardous material means anything that an environmental law defines as hazardous or toxic, or describes as a pollutant, contaminant, or a similarly harmful substance.

Report all notices, releases, and proceedings known, regardless of when they occurred.

24. Has the debtor notified any governmental unit of any release of hazardous material?

☐ No

☒ Yes. Provide details below.

Part 12: Details About Environmental Information

For the purpose of Part 12, the following definitions apply:

- Environmental law means any statute or governmental regulation that concerns pollution, contamination, or hazardous material, regardless of the medium affected (air, land, water, or any other medium).
- Site means any location, facility, or property, including disposal sites, that the debtor now owns, operates, or utilizes or that the debtor formerly owned, operated, or utilized.
- Hazardous material means anything that an environmental law defines as hazardous or toxic, or describes as a pollutant, contaminant, or a similarly harmful substance.

Report all notices, releases, and proceedings known, regardless of when they occurred.

24. Has the debtor notified any governmental unit of any release of hazardous material?

- ☐ No
- ☒ Yes. Provide details below.

Part 12: Details About Environmental Information

For the purpose of Part 12, the following definitions apply:

- Environmental law means any statute or governmental regulation that concerns pollution, contamination, or hazardous material, regardless of the medium affected (air, land, water, or any other medium).
- Site means any location, facility, or property, including disposal sites, that the debtor now owns, operates, or utilizes or that the debtor formerly owned, operated, or utilized.
- Hazardous material means anything that an environmental law defines as hazardous or toxic, or describes as a pollutant, contaminant, or a similarly harmful substance.

Report all notices, releases, and proceedings known, regardless of when they occurred.

24. Has the debtor notified any governmental unit of any release of hazardous material?

☐ No

☒ Yes. Provide details below.

Part 12: Details About Environmental Information

For the purpose of Part 12, the following definitions apply:

- Environmental law means any statute or governmental regulation that concerns pollution, contamination, or hazardous material, regardless of the medium affected (air, land, water, or any other medium).
- Site means any location, facility, or property, including disposal sites, that the debtor now owns, operates, or utilizes or that the debtor formerly owned, operated, or utilized.
- Hazardous material means anything that an environmental law defines as hazardous or toxic, or describes as a pollutant, contaminant, or a similarly harmful substance.

Report all notices, releases, and proceedings known, regardless of when they occurred.

24. Has the debtor notified any governmental unit of any release of hazardous material?

☐ No

☒ Yes. Provide details below.

Part 12: Details About Environmental Information

For the purpose of Part 12, the following definitions apply:

- Environmental law means any statute or governmental regulation that concerns pollution, contamination, or hazardous material, regardless of the medium affected (air, land, water, or any other medium).
- Site means any location, facility, or property, including disposal sites, that the debtor now owns, operates, or utilizes or that the debtor formerly owned, operated, or utilized.
- Hazardous material means anything that an environmental law defines as hazardous or toxic, or describes as a pollutant, contaminant, or a similarly harmful substance.

Report all notices, releases, and proceedings known, regardless of when they occurred.

24. Has the debtor notified any governmental unit of any release of hazardous material?

☐ No

☒ Yes. Provide details below.

Part 12: Details About Environmental Information

For the purpose of Part 12, the following definitions apply:

- Environmental law means any statute or governmental regulation that concerns pollution, contamination, or hazardous material, regardless of the medium affected (air, land, water, or any other medium).
- Site means any location, facility, or property, including disposal sites, that the debtor now owns, operates, or utilizes or that the debtor formerly owned, operated, or utilized.
- Hazardous material means anything that an environmental law defines as hazardous or toxic, or describes as a pollutant, contaminant, or a similarly harmful substance.

Report all notices, releases, and proceedings known, regardless of when they occurred.

24. Has the debtor notified any governmental unit of any release of hazardous material?

☐ No

☒ Yes. Provide details below.

Signature and Declaration

Warning -- Bankruptcy fraud is a serious crime. Making a false statement, concealing property, or obtaining money or property by fraud in connection with a bankruptcy case can result in fines up to \$500,000 or imprisonment for up to 20 years, or both. 18 U.S.C. §§ 152, 1341, 1519, and 3571.

I have examined the information in this Statement of Financial Affairs and any attachments and have a reasonable belief that the information is true and correct.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on: 04/15/2019
